

Goethals Bridge Replacement

Final Environmental Impact Statement

August 2010

Special Note for the Appendices:

All appendices to the FEIS are contained within Volume 2 (Appendices A-E) and Volume 3 (Appendices F-N). The majority of those appendices are **identical to those in the DEIS of May 2009, with the following exceptions:**

Appendix E – Section 106 Consultation for Cultural Resources	E.7 - updated with any new correspondences since DEIS. E.8 - new appendix for Memorandum of Agreement (MOA).
Appendix H – Natural Resources	H.1 & H.5 - updated based on more recent file searches. H.6 - new appendix for wetland habitat shading analysis.
Appendix J – Traffic & Transportation	J.6 & J.7 - new appendices for 2014 traffic analysis and CEQR consultation with NYCDOT.
Appendix K – Noise	K.2 & K.3 - new appendices for construction-phase noise analysis and CEQR consultation with NYCDEP.
Appendix M – Public Outreach, Scoping Meeting, and DEIS Public Comment Period	M.4 - new appendix containing all original public comments on DEIS.
Appendix N – Air Quality	N.2 & N.3 - new appendices for construction-phase air quality analysis and CEQR consultation NYCDEP. N.4 - new appendix with Draft General Conformity Determination.
